IMPORTANT NOTICE COOLAH CENTRAL SCHOOL P & C ASSOCIATION

The Coolah Parents and Citizens Association Annual General Meeting was held on the 21st February 2017. Attendance was very disappointing, with only two of the four executive positions being filled.

The P & C committee cannot operate without the fulfilment of these positions.

As a result of this **a special meeting of the P & C is going to be held on Tuesday 4th April 2017 at 6pm in the school staffroom.** The positions of Vice President and Secretary must be filled at this meeting. If the positions are still not filled at the completion of this meeting, the committee will not be able to operate and the P & C will cease.

This will mean that all the funds and equipment currently held by the P & C for the benefit of all the students will be returned to the P & C Federation. This amount is in excess of \$20,000. This also means that the following items/activities will not be subsidised and you will either have to pay full price for the items/activities or they will simply not exist:

Intensive Swimming Program K-6 (Compulsory)	\$10 per Student
Bookpacks K-6 & 7	\$10 per student
Excursions	\$15 per Student
Textbooks	\$2000
Student Injury Insurance	\$500 a year
Ag Dept. Upgrade	\$5000
Primary Playground Equipment	\$5000
School Bus purchase (Assist with)	\$5000
New Computer Chairs	\$1022
Food Technology Dept.	\$1000
Metal Work Machine	\$3000

Road Safety

On and off the bus safely

Your child is most at risk in the minutes after getting off the bus. You can reduce this risk. Meet your child (or arrange for another trusted adult to meet your child) at the bus stop, never on the opposite side of the road.

Wait until the bus has been driven away before choosing the safest place to cross the road, then follow the usual road crossing procedures with your children.

STOP ! One step back from the kerb.

LOOK ! For traffic to your right, left and right again.

LISTEN ! For the sounds of approaching traffic.

THINK ! Whether it is safe to cross.

Teach your children to keep turning their head in both directions to look and listen for traffic as they cross the road.

While waiting at the bus stop, stand well away from

the passing traffic. Never wait right at the kerb. Remind your children that when a bus is fitted with seatbelts, they must buckle up. Until they turn ten, hold hands with your child as you cross the road.

Trade Training Centre

The preliminary plans for the new Trade Training Centre for Timber and Metal courses to be constructed later this year at Coolah Central School have progressed to a stage where the Project Manager will be setting up a kiosk for community consultation on Wednesday 29th March between 9 and 11am. The location will be in front of the IGA store. This is an opportunity for the community to ask questions about the new facility.

The construction class has been busy digging up and replacing sections of damaged pathways around the school. I would like to acknowledge Mr Jones, Braydon and Justin for their hard work and commitment to improve the school environment. I am sure Braydon and Justin have developed new knowledge and skills through planning and construction of the pathways.

Deputy News with Mr Winston Hughes

Deputy Principal News from Mr Hughes

Congratulations to all of those students who participated in the Binnaway Show Judging last week and to the students who visited the Australian Defence

Force Academy as part of the ASPIRE Program. These students represented Coolah Central School proudly.

On Wednesday some students are participating in the Secondary Winter Trials in rugby league and netball. We wish these students the best.

A reminder that on Tuesday afternoon we have our first Parent/Teacher Interviews for the year. Parents who require meeting times with teachers are asked to book through the front office.

As the weather gets cooler it's important to ensure that all students have the correct uniform. The latest order of jumpers have arrived at the school today. They are \$40 each. Students who have pre-ordered are asked to pick these up ASAP.

Leading to the end of term we are looking at study tips. These study tips are fundamental in students achieving their potential, especially in senior years. Study tip 4 is; Strive for Excellence. A

description of what this means for students has been included in this newsletter.

As always I can be contacted at the school should you have any concerns.

Study Tip 4

STRIVE FOR EXCELLANCE: You want to be able to differentiate yourself from all the other students, so think what you can do to make your work stand out from the crowd.

This means:

You take the time to be thorough when working on essays and assignments. This means lots of planning and brainstorming to start and then multiple drafts over a period of time for editing and proof reading.

You look for additional source material, you read widely and you do more than what is asked of you. But you ensure that in specific tasks you are focused on answering the question and providing depth in your response.

You make the most of any feedback you are given to make adjustments to your approach to your work to improve your outcomes.

.Our **class captains** for this week are **Annabelle** and **Fletcher**.

Library News

Coolah Central School Library has thus far received an amazing \$984.00 of kind donations from the patrons of Caring for Coolah C4C.

We very much appreciate this, and have decided to use this money to part pay for a subscription to Lamont Standing Orders. Lamont are a 100% Australian owned and operated business. They are completely independent and have no alignment with any one publishing house. We are guaranteed a 25% discount off RRP on all new titles each month.

Our Library does not always have the opportunity to view books from sales representatives, and Lamont Standing Orders is a great way for us to obtain new books each month. We will receive 9 packages a year with approximately 5 titles per package for Picture Story, Primary Fiction and Primary Non-Fiction, and approximately 8 titles per package for Secondary. They include titles relevant to the Australian Curriculum, and high interest Non-Fiction titles. All titles in the Standing Order packages are brand new titles that have just been released

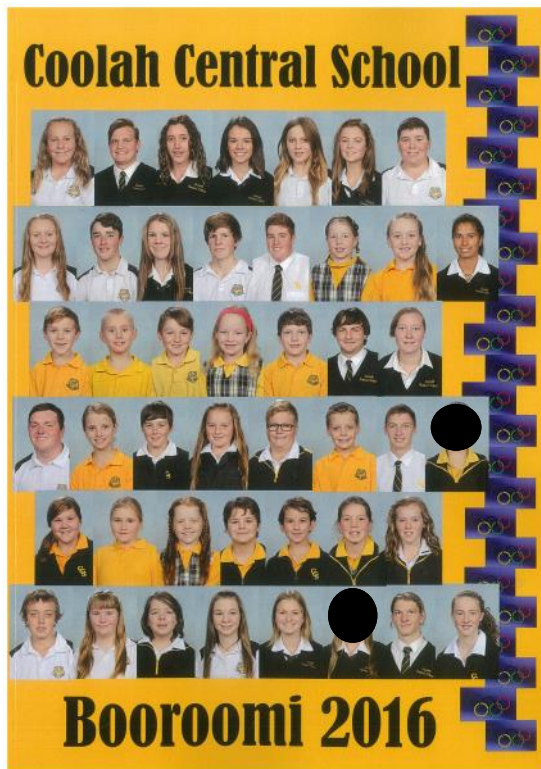

On the 17th of March, Year 12 students had a St Patrick's Day Cake Stall in order to raise funds for our Formal later this year. At the end of the day, we raised just over \$150.00.

Year 12 had lots of fun both making and selling the treats. We hope to have more cake stalls later this year.

The Department of Education is seeking people who are interested in commencing work within public schools in your area.

The School Administrative and Support (SAS) staff Reference Group welcome any people looking to start work in school administration to enrol in our Non-Teaching Staff School Introduction training programs.

The aim of this training is to provide participants with an overview of school administrative roles. Participation in this introduction day is not a guarantee of employment with the Department of Education. Following this introduction day, it will be up to individuals to contact schools and follow up possible employment. Participants would then also need to obtain a Working with Children Check (WWCC) clearance (at their own cost) through Service NSW and apply for a Department of Education employee number through a local public school. Many schools have a policy of not employing current parents or associates within their own school.

It would be desirable if participants had a sound knowledge of Microsoft Office.

The training days will be held from 9am-3:30pm in the following locations:

Tamworth - 23 March 2017. Department of Education Office

Armidale - 30 March 2017. Martins Gully Public School

Inverell - 5 April 2017. Macintyre High School

Glen Innes - 6 April 2017. Glen Innes Public School

Scone - 27 April 2017. Scone High School

Moree - 3 May 2017. Moree Secondary College Albert St

Narrabri - 4 May 2017. Narrabri High School

Gunnedah - 11 May 2017. Gunnedah South Public School

To secure a place in this course, you will need to enrol online by using the link below, clicking on the 'community members' tab and following the instructions. They will show you how to obtain a username and password, search for the course using the "Browse Learning" tab then use the course code NR13249, enrol in the venue you wish to attend. You will also need to complete the form attached to this online enrolment and pay a fee of \$20 by cheque or money order made out to Department of Education posted to the address on the form.
