Year 12 interviews were finished last week and it was great to be able to catch up with so many parents who came to support their children. Year 10 students have selected their subjects for Year 11 and it's time for them to start preparing for their seniors studies. Below are some study skills tips to consider.

### STUDY SKILLS TIP PREPARING FOR SENIOR STUDIES

As students approach the senior years, they are expected to start taking more responsibility for their own learning. For many students part of this is a realisation that they need to do their schoolwork for their own sake, to keep options open for their own future – so they start to work for themselves, not just because their teacher or parent says they have to. Other students come to realize that in order to cope with the increased workload in the senior years, they need to work more efficiently at home and in the classroom, small changes like changing who students sit next to can make a big difference to how much work is completed in class.

So for students who are commencing their senior studies next year, the final term this year is important in taking stock of your approach to school and your studies. Do you work well in the classroom? Who do you sit next to? What are your listening and research skills like? Do you have systems in place to manage your homework and assignments? Do you know how

to study effectively and have you tried different study techniques?

It seems many students think they will wake up Day 1 of their senior studies and suddenly have become a 'super student' overnight. This does not happen! Habits take at least a month to change – sometimes longer if they are deeply ingrained.

So for those students commencing their senior studies next year, use the last weeks of school this year to:

- Reflect on how you approach your studies. What do you do well, and what do you need to work on changing? Perhaps choose the top 5 areas to work on and write these on a card and place it somewhere at home where you will see it regularly and be reminded.

- Complete as many units as you can of [www.studyskillshandbook.com.au](http://www.studyskillshandbook.com.au). This site can help you work out where your areas of weakness are and teach you new skills to try in these areas. In particular, 'Becoming a Senior Student'. There is a great quiz in this unit that helps you see how ready you are for senior studies This is also a great way to work out where your areas of weakness lie.

Our school's subscription details to this online study skills website for secondary school students are [www.studyskillshandbook.com.au](http://www.studyskillshandbook.com.au)

**All Secondary students need to be checking their timetables, packing their bag and bringing all necessary equipment ready to learn.**

**Year 7 - 10  
Exams are in Week 6  
All students are advised to be revising & making study notes daily.**

Who remembers this old building? This photo was taken in 1960 and shows a classroom built near our existing Infants and Kinder Rooms. In later years the veranda was filled in and this building was used as our school Library! 1980 saw the building of the new Kinder Room.

Year 6's WW1 Living History incursion is on this Thursday morning. Please return notes and money by Wednesday. All students are strongly encouraged to participate.

Only 4 more sets of photos need to be sent in for Year 6 students, work has already begun in preparing their slides.

Last week several students from Coolah Central School represented the school and the North West Team at State Athletics in Sydney. Congratulations to all these students on their dedication and hard-work in preparation for this event and for some excellent results.

Grand Friend's Day will be held Friday 16th November. We welcome all our Grand Friends to join us for a light morning tea at 10.45am in the Secondary Quadrangle. We also invite you to join in activities, that are related to our 150th Celebrations, that follow.

Last week saw the Year 2 students travel to Dubbo for their annual Zoo SnooZ excursion. Thank you to Mrs Esdaile for all of her organisation with this excursion and also to all of the students who displayed fantastic manners at all times and represented our school with great pride.

Today K/1 travelled to Red Hill Environmental Centre in Gulgong to discover what family life was like in the colonial days and how it compares to our families now. We had a wonderful time discovering what life was like in the past and we particularly enjoyed dressing up in colonial clothes, visiting the museum and looking at all of the Aboriginal artefacts and discussing how they were used by the Aboriginal families. A big thankyou to Mr Dungate for accompanying us on our big day out.

This Thursday we will be having the third Early Birds session and we are all very excited about welcoming our new friends back to school. This will again be held in the K/1 room from 9.30am until 11am.

24<sup>th</sup> October 2018

Dear Parents,

As a part of Coolah Central School's 150 year celebrations, there will be a church service held at the Octagon on **Sunday 18<sup>th</sup> November, 9.30am.**

Students have been practicing hymns for this event and it would be encouraging to have current student representation at the service. Infants and Primary students must be accompanied by a parent or responsible adult. Students and parents attending the service are asked to fill in the attendance slip below and students are asked to wear full school uniform.

Morning tea will be provided for all who attend.

For catering purposes could you please indicate on the attendance slip below whether you would be able to attend the service.

Regards

*Coolah Central School Scripture Teachers*
