COOLAH CENTRAL SCHOOL

P & C ASSOCIATION

The P & C association is a group of volunteers from the parent body and wider community of the school who work together in supporting the school.

Money is raised by using the coffee van and attending catering events such as Zone & Regional Cross Country's, Music Festivals, Rodeo's, Campdraft's and other local events. The committee is always looking at new ways of raising money and all ideas are most welcome.

Over previous years the committee has raised money to subsidise the purchase of school textbooks and book packs, school extra-curricular activities such as school intensive swimming program, school excursions and some school infrastructure like play equipment and sports facilities. Over the years, this amount has been a total of more than \$66,000.

Our AGM is held in March of each school year. During the year, the P & C meets every third Tuesday of the month in the school term. The meetings are held in the school staffroom. All parents and citizens are encouraged to attend. However, you must be a financial member of the P & C to be able to vote at any meetings. Meeting times and dates are notified through the school newsletter.

Our current membership fee is \$2.00.

Thank you and we look forward to your support over your child/children's school years here at Coolah Central School.

Please tear off the form below and return to the school front office or an executive of the P & C Committee.

## Principal News with Mr Hughes

We are almost halfway through Term 1 and students are to be congratulated for their impressive start to the year. As I walk around the school students are in class, working co-operatively with their teachers, learning all that they can.

This week is a very busy week with both Primary and Secondary students participating in North-West swimming on Monday and Tuesday. Interviews with selected K-2 parents are happening on Tuesday as part of the Got It! Program and on Wednesday an external

presentation, "Sharing Culture" is coming to the school. The ASPIRE Team from the University of NSW is at the school on Tuesday and Wednesday and will be presenting to all students from Kindergarten to Year 12. On Thursday night we have the SRC Disco and on Friday Senior students are going to a careers Day in Mudgee. All of these fantastic opportunities would not be possible without the continued dedication and hard work from staff.

As always I can be contacted at the school with any enquiries.

## **STUDY SKILLS TIP FOR MARCH: SETTING UP YOUR SPACE AT HOME**

The start of a year is a good time to reassess the space where you work at home. It is best to work in whatever space has the least amount of distractions. Here are some points to consider:

1. Natural lighting is best, but if not possible then a good strong bulb in your room and a bright desk lamp is essential. What is the lighting like in your study area?
2. Fresh air and oxygen to the brain helps keep you mentally alert. What is the ventilation and air quality like in your study area?
3. Your work space sets the tone for the way you approach your study. Is your desk large enough? What is your working space or desk like?
4. The chair you use should be comfortable (but not so comfy you fall asleep) and adjustable to reduce strain on your neck and shoulders. What is your chair like?
5. When you are trying to memorise things, quiet is essential. No music (unless it is certain types of classical like baroque). How effectively can you keep your room quiet?
6. Storage is essential to help you keep your notes organised and sorted. Shelves, a filing cabinet, drawers. What is the storage like in your room?
7. It is important to keep your study area uncluttered and organised. A large pin board for notices and a calendar are useful. How organised is your study area?
8. How many distractions do you have in your room? Computer, phone etc? It is always a good idea to switch off or remove distractions before you start work. If you have to use your laptop make a conscious effort to not use personal technology during times when you are doing schoolwork. How well do you cope with the distractions in your room?

# K-6 News

Some date clashes that can not be avoided are as follows:

**Thursday 21st March** - David Peachey and Russell Richardson Gala Day is on the same day as Moorambilla Workshops. **Tuesday 26th March** - School Photos are on the same day Primary Southern Zone Soccer. Unfortunately these events are organised by outside agencies and their schedules are set.

A number of students are not eating lunch at lunchtime, most food has been consumed before lunch. Please pack some extra food to avoid hungry tummies after lunch. It is very difficult to maintain concentration on a hungry stomach. Extra fruit for "Sip and Crunch" would also be great as there are a number of children who are saying that they do not have any fruit to eat.

Parent/Teacher Interviews will take place next Wednesday 13th February. Please return interview request forms ASAP. Kindergarten parents will not need to attend these interviews as our interviews were held today. However if you were unable to attend today, please make an appointment to see Mrs Simmons next Wednesday. Thankyou to all parents who attended our Best Start interviews today. If we work together as a team, your children will ultimately benefit.

Over the past few weeks, some students from Years 3-6 have been learning Rugby Union skills in preparation for the Coonabarabran Rugby 7's competition on the 12th of March. This Thursday, March 7th, students from Years 5 and 6 who are part of the Rugby 7's team, will be involved in a training session run by NSW Rugby Union. This will be from 1.30pm-3.00pm at the Bowen Oval. Students involved will need to bring a change of clothes and their mouth guards and head gear and they will walk over from school with Mrs O'Neill.

Disco Time! This Thursday the SRC will be hosting their Term One disco, come along and dance the night away, catch up with your friends and help us raise some much needed funds for our Coolah Central School SRC. See advertisement for details.

# WHEEL YOU PROVIDE US WITH YOUR VALUABLE FEEDBACK?

Community feedback is extremely important. It helps us identify the needs of the community, while providing residents with the facilities they truly need and will use well into the future.

This is a good opportunity to become involved in the future growth of your community, with this location study information and feedback sheet available until 4 March at 9pm to gather opinions and gauge public sentiment.

The Committee are looking forward to reviewing this feedback sheet for the concept of a skate park and learn to ride bike track. The Committee will need to demonstrate strong community support to allow this project to move forward. Partnerships and assistance from the Warrumbungle Shire Council, and associated funding opportunities, will be determined based on evidence from our community.

### How do I participate?

There are numerous ways to have your say.

- Visit the Jump the Stump Facebook page and click on the feedback form.
- Type the link: <https://goo.gl/forms/39OpDFtdRCZL9oc03> into your internet address bar which will take you to the online survey.
- If you would prefer to write or you don't have access to a computer, paper copies of the feedback sheet will be available from the **Pandora Art Gallery from Saturday 23 February until Monday 4 March.**
- There will be two chances to discuss the location study and feedback form with members of the Committee (Adam Burgess, Hayley Thompson and Hamish Thompson) outside the **Coolah IGA Supermarket on Tuesday 26 February from 2-4pm and Saturday 2 March from 10-11am.**
