Welcome!

Mr Warren Barrett is our new TAS– Industrial Technology Teacher.
Mr Barrett, is originally from England.
Mr Barrett has a Trade in Engineering and we are excited about the knowledge he will bring to CCS.
Welcome to our Community.

CCS School Captains Georgia Bennetts and Jami Roberts sent out a message earlier in the week via the school Facebook page, congratulating their fellow students on the wonderful job that they have done with home learning. They also thanked all the teachers for supporting the students at Coolah Central School during these uncertain times.

Principal News with Mr Hughes

Thankyou to all parents and caregivers for their support at the start of this term as we manage the gradual transition of students returning to school first on a part time and hopefully later on a fulltime basis. I would also like to acknowledge the tremendous work both the teaching and the support staff have put into firstly transitioning to remote learning, teaching remotely whilst still catering for the small number of students of essential service workers still at school and now preparing for the transition back to school.
As students return I ask all students and parents to continue to practice social distancing. This is especially important during drop off and pick up times. Parents are asked to avoid entering the school if possible. Please phone or email with enquiries. Students are asked to ensure that they bring a water bottle to school as the bubblers will not be in use. Students will be able to refill their water bottles at school. Extra cleaning has been arranged during the school day of high touch surfaces as students return and all students are encouraged to practice safe hygiene practices including hand washing and cough etiquette.

If your child displays any symptoms of influenza or illness we ask that you do not send them to school. Any student who displays symptoms at school will be assessed by trained staff using appropriate personal protective equipment. The student will be isolated and parents advised to pick them up from school.
At the end of last term we farewelled a number of staff. Ms Alison Meares has transferred to Lithgow High School and Mrs Wendy Dungate has retired. Mrs Carolyn Ferguson has now officially retired following an extended period of leave. I would like to acknowledge the contribution these 3 staff members have made to Coolah Central School and public education. We are in the process of replacing these staff members. Mr Boehm and Mrs Meyers will act as Year Advisors for Year 12 as they finish their schooling and Mr Boehm will take on the secondary SRC coordinator role. There will also be some class teacher changes in secondary. Thankyou again to all parents and students for their cooperation during these difficult times. I, like I'm sure most other people, look forward to when we can return to normal school operations.

Easter Hats made at Home

Well Done to all students who created some wonderful bright and very creative Easter Hats.
The teachers loved receiving all the photos of the students hats. This year our Easter Hat Parade had to be a virtual one, nevertheless, it was still a fantastic job done by all.

Mrs Dungate

We wish Mrs Dungate all the best in her retirement.

Farewell

We wish Miss Meares all the best at Lithgow High.

Students of essential workers who cannot stay at home and attend on days other than those assigned, will be working on their learning packages and supervised by a staff member (they will not have their own teacher). ALL students are required to bring their learning packs every time that they attend school.

NB All students will be practicing appropriate social distancing whilst at school. Larger classes will be split and we will also be using larger work spaces for bigger groups. All Students will need to bring their work packages in Week 3 and will be advised on their first rostered day of subjects timetabled for the following weeks.

NSW Department of Education

At all times

- Schools are safe places for students, teachers and staff.
- All students engage with a single unit of work.
- Keep up-to-date with your school's communications to make sure you receive important messages about timetable changes.
- Any identified cases of COVID-19 will continue to be managed in line with health advice, including temporary school closures where necessary.

Learning from home

Practical resources and guides to support students are available at the department's Learning from home hub.
