At Essential Energy, we're more than poles and wires. We're also about empowering our local communities. But we need your help to decide where support is needed most.

Our **Community Choices** program lets you vote for charities, registered not-for-profit groups and community groups that most deserve a little boost — we are providing \$175,000 in grants across our network area.

Voting closes 18 June 2020 so don't miss out on this opportunity to support your favourite local cause.
